SHORT ANNUAL REPORT 2021 – 2022

Dear friend/devotee,

We convey our loving namaskars and warm greetings to you and all the members of your family and friends. We pray to Almighty for the welfare of all.

We are happy to place before you a Short Annual Report of our activities for the financial year 2021-22. A detailed report will follow in due course.

114 years have passed since the Sevashrama had its humble beginning in 1907 with the aim of rendering selfless service to the poor and the needy patients of the Holy Brajdham. We have been able to take up all the activities for the service of the poor and the needy due to your dedicated and generous support. We are indebted to all our well-wishers for helping us to upgrade the existing services. We extend our warm gratitude to all the generous donors, well-wishers, our doctors, nurses, friends, devotees, volunteers and staff, without whose help we would not have achieved this success. As in previous years, this year too we undertook some major development works and also added a few new equipment/instruments. We also place before you the various projects that are planned for the year ahead. We are sure that with your generous and noble support we will be able to continue our services to the poor as envisioned by Swami Vivekananda - 'शिव ज्ञाने जीव सेवा' - Serving God in Man.

We request you to please recommend this 114 year old institution to a few of your kind-hearted acquaintances who may also be willing to help us by extending financial assistance.

We will be happy if you visit Sri Vrindavan Dham at your convenience. Your visit will surely be an inspiration to all of us here. You can personally witness the various activities undertaken at the Sevashrama by your noble support. We are hopeful that along with that you will enjoy the vibrant atmosphere of this holy land blessed by the divine lila of Sri Krishna. May Sri Radharani, Sri Ramakrishna, Sri Sarada Devi & Swami Vivekananda bless us all and fill our lives with devotion, peace and bliss.

With namaskars and prayers for all,

Yours in Sri Ramakrishna,
